WINE

Have fun reading our cocktail descriptions that our talented staff and bartenders have enjoyed custom creating. I guarantee whichever selection you make will give you a chuckle as we aim to have fun here at Two Buoys. All classic requests are available. We also like a challenge so put us to the test to create a cocktail just for you.

Frosty Fruits

Remember walking to the local milk bar as a kid on a hot summers day? Buy Frosty Fruits Icey Pole for 25c... nope just me? Ok well this is like a Frosty Fruits but for adults. With Bacardi, Malibu, mango syrup, fresh lime & soda water you can't go wrong, we will even save you the long walk. **18**

Pink Police

After this majestic cocktail you will be dreaming. So you might be singing, "The Pink Police are inside of my head". Gordon's Pink Gin, Cinzano Rosso, raspberries, lemon juice, sugar syrup, egg white & raspberry sugar **18**

Slightly Sexy

After drinking a few of these in the nice hot sun you may have that extra courage to talk to the group of girls, or cute boys out on the deck.... You will become one step closer.... Some might say you have become 'Slightly Sexy'. With Archie Rose Gin, Alize, lime juice, sugar syrup & mint, they won't stand a chance **19**

Phil Collins

Whether it's a monkey smashing on the drums advertising chocolate, or the real Phil Collins staring sexily down the camera in black and white, with this cocktail you will feel it in the air tonight..... Oh Lord! Vodka, Green Chartreuse, cranberry juice, lime juice, cucumber & soda water **20**

That's Not Appropriate!!

Pubs are shut!! That's not Appropriate!! Thanks for the words of warning Dan, but we have it from here. This cocktail is SAFE, CAUSIOUS & APPROPRIATE!! With Mescal, lime juice, black berry, ginger beer and mango we say thanks for opening the doors again **20**

Let's Go To Bondi

This Tiki style cocktail is busier than Bondi Beach during a pandemic. With banana, coconut, pineapple, mango, lime & spiced rum this cocktail has it all except a face mask! **20**

Damn That Carol Baskin!

When ordering this delectable cocktail, you must pretend to have one tooth in your mulleted head and have a deep southern accent..... no issues if you don't have to pretend, but welcome to society. Southern Comfort, Peach Schnapps, orange juice and lemon. **20**

The Job Keeper

This little keeper won't fix all your problems, but guaranteed it will get you through. Cointreau, lemon juice, egg white and mango. **20**

Trump's Hydroxychloroquine

This little gem will fix you right up after a meal. Try it! It works! Nobody knows Trump's Hydroxychloroquine better than me! Pedro Ximenez, Spiced Rum and Cognac **20**

Forget the Top Shelf

Dan will be going for something a little fancy tonight, and so should you! If you are vertically challenged like myself there is no need for the top shelf with this delicious cocktail. Tequila, grapefruits, cucumber, lime and triple sec, will tickle your fancy fix. **18**

COCKTAILS

MORE COCKTAILS

Off to SA

Borders are back open! Let's go to Adelaide and check it all out... Oh wait we are on the Peninsula..... Scrap that. Staying here with my Kraken, lime, Caramel syrup and a hint of pale ale. **19**

Bananas for Biden

World is going Bananas for Biden and so are we. Don't really care that he won, just happy that silly little Oompa Loompa lost. Cargo cult Banana stirred down old fashioned style will do the trick. Trump you're FIRED! **20**

SAKE ON THIS!!

Rose Sake, Cointreau, lemon juice and a hint of Japanese Whisky.... YUM! Just relax and open your mouth and enjoy all the goodness this flavorful cocktail has to offer..... *Please order cocktail with a straight face. **19**

Scotty from Marketing

It's been a tough year for us all, but none more so than our old pal ScoMo. To be honest he did all he could, and supported us through this tough time. As Hommage we have a Tiki-style cocktail for you Scotty... because we know you missed out on your much needed holiday. Dark Rum, Tequila, pineapple, pear, hibiscus. **22**

Gladys' Sexy Little Spritz

If you want to feel a little naughty, like our old friend Gladys then go no further. This raunchy little number, (in my opinion), is the real cause to getting the old goat in trouble. Gin, blackberries, prosecco and soda. **17**

Wrap your Lips Around It

Using classic ingredients such as Midori, Vodka, Apple Schnapps, Apple Juice and Pineapple this cocktail is as classic as Adam and Eve. In fact, I bet this is what Eve was thinking of when talking to that silly Snake. **20**

Will be swinging off the deck with this delightful concoction. Buoys will be after Babes and Babes after Buoys. Vanilla Galliano, gin, apple juice, strawberries and bubble gum syrup. **19**
